

# Sibaritas de la Calle

Who we are

Born in the streets of Barcelona in 2008 and after having shared the stage with some of the greatest musicians, Sibaritas de la Calle continues its journey in France since 2012, with 2 albums and hundreds of concerts to its credit. Thanks to its boundless energy the band takes you on the roads of Rumba and Reggae. With its fast-paced songs, the band takes you straight to the heart of Spain!

# Discographie

## Carpe Diem

2009

**The band's first full album self-produced and self-recorded. It contains 9 titles, each more varied than the other. This album ranges from rumba and reggae, to salsa and even waltz!**

**Compilation made by the biggest street festival in Barcelona. It contains 15 titles from different street artists. In this compilation, you'll find "Barna", a song from the first album.**

## Busker Festival

2009

## Callejeando

2013

**The band's second self-produced album. It was recorded in the Oikos Events studio, under the supervision of Frédéric Dupuis. The band has found his musical identity: rumba-reggae. 12 titles with a style and a color specific to Sibaritas de la Calle.**
